REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not specifically disclose or remotely suggest

With regard to independent claims 1, 2, 3, 25, 26, and 29:

a conditional access subunit that includes receiving means to **receive AV/C**

Conditional Access Commands over the IEEE 1394 network from one or more other subunits;

wherein the AV/C Conditional Access Commands include a **CA enable command**;

wherein the CA enable command includes **an operand for specifying the number of elementary PID definitions to follow**, together with operands including elementary PID definitions; and

wherein **each of the elementary PID definitions include a stream type operand for identifying the type of service element carried within the packets** with the PID whose value is specified by the elementary PID and elementary PID operands for specifying the PID of the transport stream packet that carry the associated service element.

These limitations, in conjunction with the other limitations in the independent claims, are not specifically disclosed or remotely suggested in the prior art of record.
